

**Oral Health Florida Data Action Team**  
**Minutes: Tuesday, June 28, 2016 Conference Call**  
**2:00 p.m. – 3:00 p.m. EST**

**Agenda**

1. Welcome/Introductions  
Meeting called to order at 2:01 p.m. EST
2. Attendees Self Announce  
**Members in attendance:** Lilli Copp, Judith Corbin, Denise Curtis, Susan Gorman, Jill Herndon, Tami Miller, Scott Tomar, Christina Vracar
3. Approval of minutes: March 16, 2016 Conference Call  
Moved (Tomar) and seconded (Miller) to approve minutes. Approved.
4. Leadership Council and Oral Health Florida Conference Updates (Miller)  
Miller reported:
  - Call for nominations for Leadership Council positions will be going out within the next week.
  - **Oral Health Florida Conference, June 27-29 Florida Hotel Conference Center; Florida Mall, Orlando**
    - Held in conjunction with statewide Florida Public Health Association Conference
    - Lilli Copp will have a HeadStart managers meeting on Thursday morning
    - Agenda is online (<http://oralhealthflorida.org/oral-health-florida-healthy-mouth-healthy-body-conference-2016/>)
      - Friday sessions will bring back spotlight on best practices.
      - At Leadership Council meeting, will be voting on Chair and Vice Chair.
5. OHF DAT Data Reporting Updates
  - A. CMS EPSDT Dental and Oral Health Service Utilization Data (Herndon; see attachment)  
Herndon reported that the CMS EPSDT data reports were updated to include FFY 2015. Scorecard indicators have been updated accordingly and all reports are on OHF Data page. Trends noted:
    - General increase in utilization
    - Oral health services have largest impact on children <5 years, especially 1-2 year olds; greater increase than among “dental” services.
  - B. ED Data (Tomar; see attachment and <http://onlinelibrary.wiley.com/doi/10.1111/jphd.12158/full>)  
Tomar reported that the dental-related ED data has been significantly expanded to include both state and county visits and charges as well as breakouts by age and payer. Key findings for CY 2014:
    - 163,906 dental related ED visits with total charges in excess of \$234 million; mainly palliative care
    - Findings are largely consistent across counties – primary payer is typically Medicaid (using state dollars to provide definitive care); followed by self-pay (uninsured)
    - Recently received 2015 data and will be updating reports

- Related paper is in press with JPHD – trend data for 2005-2014 for Florida – find increase in visits even after age-adjusting the rates. Problem is driven largely by young adults (25-45).
- Most visits occur during what would be considered normal business hours – 8 a.m. – 7 p.m. (70-80%) and not by people coming in at odd hours.

## 6. OHF DAT Website Updates

Herndon reported that the following OHF web pages have been updated to include current data, resources, and reports:

- A. Results Scorecard: <https://app.resultsscorecard.com/Scorecard/Embed/10982>
- B. DAT Main page: <http://oralhealthflorida.org/action-teams/data-collection-action-team/>
- C. OHF Resources - Data page: <http://oralhealthflorida.org/resources/access-data/>

## 7. Florida DOH and Sealant Action Team Updates (Vracar)

Vracar reported on recently released reports:

- Recently released workforce reports and have received inquiries from other states interested in preparing similar reports
- Recently released 3<sup>rd</sup> grade surveillance and Early Head Start/Head Start reports
- Just completed adult screening/surveillance; will validate last sites and then conduct data analysis

Vracar reported on Sealant Action Team activities:

- Collects data annually on school-based sealant programs
- Developing more robust reporting systems to allow more direct data entry, more automated reporting processes, and increased access for external partners with appropriate access types for the user type
- Adding two new modules to data reporting systems

## 8. Other Business and Announcements

### A. Membership List Update (see attachment)

Herndon requested DAT members contact her with any updates.

### B. Other

Vracar announced that the Sealant Action Team will have a Thursday dinner meeting at the OHF conference and DAT members are welcome to join.

## 9. Next Meeting: Face-to-Face at OHF Conference in Orlando, July 29, 2016, 2:15 – 3:15 p.m.

## 10. Adjournment

Meeting adjourned at 2:56 p.m. EST
