1. Welcome/Introductions
Meeting called to order at 2:15 p.m. EST
2. Approval of minutes: June 28, 2016 Conference Call
Approved.
3. Recap Accomplishments of Past Year
Herndon summarized the following DAT accomplishments:
 - A. Updated Roadmap Indicators
 - B. Expanded Data Reporting and Resources Beyond Roadmap Indicators
 - C. Collaborations on Other State Initiatives
 - D. Updated OHF Websites
 - E. Formation of Head Start Subcommittee
4. Planning for Coming Year
 - A. Continue Scorecard and Other Indicator Updates
 - This is a key function of the committee
 - B. Head Start (Lilli Copp/Group)
 1. Copp summarized preliminary assessments of a survey sent to all HS/EHS programs, which had 21 respondents out of 47 grantees.
 - a. Key forms of assistance that grantees indicated they would like were:
 - Easily accessible lists of providers who accept Medicaid
 - Information on which services are covered by Medicaid
 - More options for children requiring sedation
 - Suggestions for how to identify dentists/obtain treatment
 - Understanding which preventive services the HS population should receive from a dentist
 2. Copp reported that she meet with the Health Managers on 7/28, who reported that oral health is still the hardest are for accessing care and treatment.
 3. The group discussed different options for providing assistance:
 - Consider reinstating regional education meetings to share/highlight best practices
 - Create online resources akin to a “tool kit” but perhaps in series of short modules
 - Talking points for frontline staff to help educate families
 - Helping HS programs to better understand Medicaid, Medicaid Managed Care, and how to guide families through those systems

- Help promote collaborations with FQHCs/CHCs, particularly for migrant families
- Consider periodic conference calls/webinars
 - Help train on standardized data collection for oral health indicators

5. Adjournment

Meeting adjourned at 2:57 p.m. EST
